Dear Admiral Inman:

I have been contacted by a member of the City Council of the City concerning a unique approach to language education which he has perfected. This new method appears to have particular application to improving the teaching of foreign languages.

He is interested in meeting with you and discussing his idea with the hope of injecting some innovation into the way we teach languages in this country. You should be hearing from in the near future.

Thanks for your help.

Cordially,

 Paul Simon
